

**Show Notes for Episode 17
(TXF017)
July 2017**

Yaesu Fusion/C4FM

There are quite a lot of on-line resources to help you get more information about the Yaesu digital format.

For a good outline explanation go to systemfusion.yaesu.com/what-is-system-fusion/

The RSGB UK Repeater list is a good place to check for Fusion repeaters in your area at ukrepeater.net/fusion.htm

To register a Node or Repeater you need to go to Yaesu's WIRES X page at yaesu.com/jp/en/wires-x/regist/index.php where you can also find the full ID List mentioned in our feature.

The excellent CQ-UK room is at cq-uk.com

Of course don't forget that if you are planning to run a Node or Repeater you will need a licence from OFCOM ofcom.org.uk/manage-your-licence/radiocommunication-licences/amateur-radio

RSGB QSL Bureau

All the information you need is at rsgb.org/main/operating/qsl-bureau

Norfolk Amateur Radio Club

The excellent Norfolk Amateur Radio Club website is at norfolkamateurradio.org

The RSGB has a lot of useful information for clubs at rsgb.org/main/clubs

RSGB President Nick Henwood

If you would like to let RSGB President Nick Henwood know about your Club's initiatives for promoting the hobby e mail him at president@rsgb.org.uk

The G0KYA Half Wave end fed Half Wave Antenna

For construction details of this amazing antenna see Steve Nichols excellent Blog at g0kya.blogspot.co.uk/2010/11/efhw-monoband-end-fed-half-wave-for-10m.html

Thank you for watching TX Factor!
